10 m

HEPA13 fleece filter basket as standard for bagless vacuuming.
Item-no. 114118

HEPA 13 fleece filter bag.
Item-no. 106061

As with all other SPRiNTUS products, the design and development are of high quality and practical in every detail. With our FLOORY ZERO, the user receives a perfect all-round package, a reliable and economic partner for hard floors and carpet. Aluminium tube, elastic bumpers and easy emptying. The 10 m power cord and the 2 m step resistant suction hose without memory effect ensures maximum maneuverability.

Our goal: 'Zero emissions' – avoiding, reducing and completely offsetting CO₂ emissions.
