**Graffiti remover**

**Ref: A02148**

**Graffiti remover C1 without chlorine solvent 500ML**

Removes all graffiti from fragile surfaces.

C1 graffiti stripper removes paint, lipstick, and felt pen marks.

C1 can have a limited effect on old graffiti.

#### **PACKAGING**

Tin palte can diameter : 65 mm / height : 195 mm

Nominal volume : 650 ml - Net volume : 500 ml.

Box of 12 aerosols

#### **INSTRUCTION FOR USE**

Use in a well-ventilated atmosphere.

Spray the product on the surface to be treated but do not leave the product in contact for more than a minute. Rub with an abrasive sponge or with a cloth for delicate surfaces. Rinse with water, preferably lukewarm or warm. If several applications are necessary, wait for 5 minutes before making a new application so that the surface can become relatively dry.

Test the product on a small area before applying it over the entire surface to be treated.

#### **USE FIELD**

C1 is used on plastic, laminated and vinyl surfaces.

Our Technical sheets have been done with our current knowledge some details might change in the future. Images are not contractual . 02/11/2009
